Chameleon Pencils™

- Specially designed double-ended pencils with perfect color pairs, for perfect color blends!
- Just "FLIP" to blend!
- With Chameleon Pencils, you can:
 - Change the color tone with pressure
 - Mix colors to blend
 - Layer the intense colors to create even more shades
- Highly pigmented, with an ultra-smooth consistency
- Permanent
- Break resistant, with a 3.8mm thick lead.
- Pre-sharpened
- Color matched dual ended pencils, meaning no more searching through hundreds of pencils for similar or complementary colors
- Slightly harder consistency than other pencils ensuring both your pencil and your point will last longer

Just flip to blend.
Specially matched color pairs.

About Chameleon

Chameleon Art Products design and produce a family of professional quality, innovative art tools that will help you unlock the world of color.

Who

If you're a curious kid, aspiring amateur, keen colorist or a creative crafter, Chameleon will help you achieve the results you dream of. Or if you're an ambitious student, accomplished artist or a design professional, Chameleon will add a new level of control and finesse to your art arsenal.

How

Unique tools. Unique results.

Our patented family of art products is totally unique. Using our tools you can create depth, dimension, gradients, highlights, shading and shadows. In the past this would only have only been possible with an extensive range of art materials.

The Chameleon Creative Community.

Our Chameleon Creative Community is made up of millions of people like you who celebrate color and appreciate art in all its forms. Chameleon is a virtual gallery, a place to share ideas, ask questions, and connect with other like-minded people working in different genres that we hope will inspire you in your own work.

Developing your talent.

Whatever your creative goals, we're here to guide and encourage you as you develop. Our team of Chameleon experts will share tips, tricks and techniques that ensure you get the most out of our art tools and can easily be incorporated in your own projects.

Inventors with new ideas.

Our in-house team never stop inventing, testing and researching what's new and what's next in art and creativity. But we're always open to hear from anyone who's got a game-changing idea. If you're looking for a trusted partner with a proven track record of getting innovations to market fast, why not talk to Chameleon?

Why

To inspire, encourage and engage every artist, crafter and creative through innovations in color.
