

PRODUCT REFERENCE CATALOG - WINTER / SPRING 2017

Monteverde USA[®] has created fine pens as individual as one's own own fingerprint. Throughout the world, no other company offers so many hand-crafted European grade acrylic resin and carbon fiber pens.

Luxury is designed into each and every Monteverde USA[®] writing instrument, in the comfort of the grips, in the ease by which a clip enters one's pocket, in our state-of-the-art refills that effortlessly glide across paper, in the way each pen's balance enhances writing comfort, and especially in the diversity and richness of our collections.

Monteverde USA[®] is on the leading edge of innovation and design. The use of fashion-forward colors together with the hand-sculpted barrel designs have garnered awards and worldwide recognition for Monteverde USA[®] Collections.

In a world where hand-written communications have become the exception, Yafa Brands[™] invites you to renew your love for writing by experiencing the magical charm of a Monteverde USA[®] writing instrument.

New

Fountain Pen Flush

8fl. oz Bottle
MV15610

16fl. oz Bottle
MV15611

Guaranteed to remove the old and stubborn build-up in fountain pens with the perfect balance of ingredients. Makes your pen write like new again!

Ingredients: Distilled Water, Ammonium Hydroxide, Biodegradable Surfactants, Propylene Glycol, Potassium Sorbate, Glycerine.

Instructions:

1. Clean a fountain pen with distilled or tap water until the water runs clear.
2. Fill and flush your fountain pen with Monteverde USA® Pen Flush, repeating to remove any extra ink.
3. Fill and flush with clean water again to remove any remaining Pen Flush.

Warning:
Do not drink. Do not breath in directly. Keep away from eyes, from open fire, out of reach of children and pets. Wash skin thoroughly after handling. Do not mix with any other solution. Do not mix with bleach. If swallowed: Rinse mouth. DO NOT induce vomiting. If on skin(or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If inhaled: Remove person to fresh air and keep comfortable for breathing. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center 1(800) 222-1222 or a doctor. Wash contaminated clothing before reuse.
